

08 DODGE DURANGO

GRAB LIFE

DODGE

IT'S THE SUV BOLD ENOUGH TO CROSS BOUNDARIES. IT BYPASSES MERE PERFORMANCE AND ENTERS THE REALM OF LEGENDARY POWER AND SUPERIOR TOWING CAPABILITY. ADVANCED SYSTEMS FORM AN UNCOMMON UNION BETWEEN MPH AND MPG. TECHNOLOGY ABOUNDS, BENEFITTING EVERYTHING FROM ENGINES TO INFOTAINMENT. THE INTERIOR GOES BEYOND THE COMFORTABLE — IT ACCOMMODATES BOTH GUESTS AND GEAR WITH EQUAL EASE. THE ATTITUDE IS DODGE. THE SUV IS DURANGO.

MASTER OF EVERYTHING.

Refinement, comfort, convenience and performance are all packaged in the easy-to-maneuver 2008 Dodge Durango. Durango Limited 4x4 shown in Brilliant Black Crystal Pearl with available 20-inch wheels, decked out with Chrome Fuel Filler Door, Chrome Mirror Covers, and Chrome Tubular Side Steps — Authentic Dodge Accessories by Mopar.

Dodge Durango Limited 4x4 in Brilliant Black Crystal Pearl.

TECHNOLOGY

MyGIG®

The available touch-screen MyGIG Multimedia Infotainment System with Navigation* is nothing less than the greatest advance in car audio since the CD player. MyGIG is a segment¹-exclusive innovation that revolutionizes in-vehicle communications by bundling entertainment, information and communication. It combines navigation with real-time traffic updates via available SIRIUS® Satellite Radio, UConnect® Hands-Free Communication, multiple ways to save and play back music and high-quality audio. MyGIG features a 20GB hard drive for storing photos and more than 1,000 digital music files, playlists, maps, points of interest, and more. The also available MyGIG Multimedia Entertainment System provides all the same great features but without the navigation function.

Limited interior shown in Khaki Two-Tone Torino leather trim with suede microfiber seat inserts. (First and second rows only.)

1

3

1 INTEGRATED MUSIC JUKEBOX MyGIG®'s integrated music jukebox allows you to rip and store music to MyGIG via CD or USB, a Voice Memo Recorder, support for Gracenote® Music File Management, and more.

2 SCREEN SAVER From your uploaded pictures, choose your favorite and make it your MyGIG customized screen saver.

3 LCD MONITOR A 6.5-inch touch-screen LCD monitor with full-color enhanced graphics lets you move seamlessly through MyGIG functions.

ALPINE® PREMIUM SOUND SYSTEM Limited models boast superb sound from the Alpine Premium Sound System II with eight speakers, a subwoofer, Linear Drive Magnet™ technology and a 368-watt DSP amplifier.

UCONNECT® AND SIRIUS® Go high-tech with an available UConnect voice-activated, hands-free communication system and SIRIUS Satellite Radio, which delivers over 130 channels, including 100% commercial-free music, sports, news, talk, entertainment, traffic and weather. Factory-installed SIRIUS Satellite Radio includes a one-year subscription. For more information, go to sirius.com.

*MyGIG in-dash DVD capability is not available in all states. See your dealer for details. †Based on 2007 *Automotive News* classification. When properly equipped. "SIRIUS" and the SIRIUS dog logo are registered trademarks of SIRIUS Satellite Radio Inc. All other trademarks, service marks and logos are the property of their respective owners. For full Terms and Conditions, visit sirius.com. Prices and programming are subject to change. Not available in AK and HI.

SEATING OPTIONS

60/40 SPLIT-FOLDING THIRD-ROW SEATS Load 'em or fold 'em. Durango's available third-row seat easily accommodates three passengers. Use the split seat option when transporting extra long items. When there's more gear than guests, simply fold the seats down to create a nearly flat load floor.

TWO-PASSENGER SECOND-ROW BUCKET SEATS Available reclining second-row bucket seats with heat give passengers a more commanding view of the road. A standard console lets you store must-have traveling gear like CDs, maps and beverages.

STANDARD 40/20/40 SPLIT-FOLDING SECOND-ROW SEAT All aboard! Durango's standard 40/20/40 second-row seat with available recline makes way for comfortable best-in-class* eight-passenger seating. The split design also configures to provide versatility for both passengers and packages.

BEST-IN-CLASS If you're going to offer the best-in-class* seating, it only makes sense to offer best-in-class* interior room to keep everyone comfortable. And where there are people there's bound to be stuff. Behind the second-row seats is where you'll find best-in-class* cargo room.

YES ESSENTIALS®† Don't worry if all those extra passengers make a mess. Available YES Essentials stain resistant, odor resistant, antistatic cloth seat fabric employs a dual-action technology to help resist stains by beading spills for easy cleaning.

*Based on 2007 *Automotive News* classification. When properly equipped. † Not compatible with aftermarket fabric-protecting coatings. Properly secure all cargo.

COMFORT AND CONVENIENCE

- 1 REMOTE START/POWER LIFTGATE** Durango is designed for comfort and convenience before you even step in with an available remote start feature and available class*-exclusive power liftgate that opens and closes with a push of the key fob button.
- 2 CARGO ROOM** Thanks to Durango's flexibility, there's 48.4 inches of open space between the wheel wells, and the rear seats conveniently fold, creating a virtually fold-flat floor for easy hauling.
- 3 115-VOLT POWER OUTLET** Durango's available 115-volt two-prong power outlet ensures there's always plenty of power for plugging in tailgating essentials like a slow cooker, mini fridge, hot plate or portable TV.

DVD REAR SEAT VIDEO™ SYSTEM Keep passengers entertained with the available factory-installed DVD Rear Seat Video System with CD/MP3 capability and two wireless headphones. The system features a new eight-inch liquid crystal display (LCD).

MyGIG® NAVIGATION/TOUCH-SCREEN Make it a nonstop flight and avoid stopping for directions with the available MyGIG Multimedia Infotainment System* with Navigation. It features a touch-screen input or voice control and 2-D and 3-D bird's-eye map views.

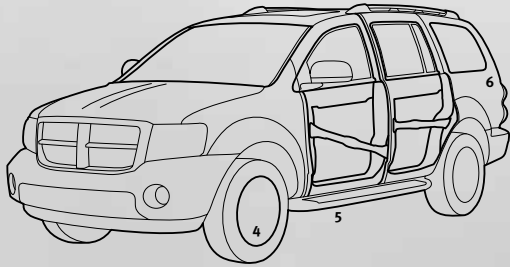

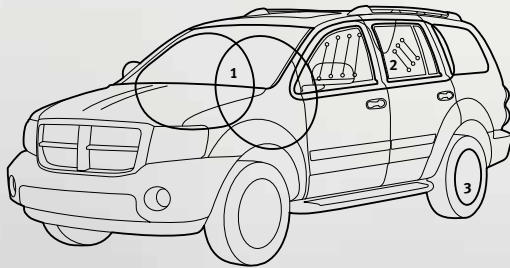

TRI-ZONE AUTOMATIC TEMPERATURE CONTROL Some like it hot and some like it cool. With available tri-zone automatic temperature control, driver, front-seat passenger and rear passengers get exactly what they want.

ELECTRONIC VEHICLE INFORMATION CENTER (EVIC) Important vehicle stats such as distance to empty and maintenance intervals are digitally displayed on Durango's available EVIC.

*MyGIG in-dash DVD capability is not available in all states.

Limited interior shown in Slate Gray Two-Tone Torino leather trim with suede microfiber seat inserts. (First and second rows only.)

 Visit dodge.com/durango/safety_security to see Durango features in motion.

SAFETY AND SECURITY

- 1 STANDARD ADVANCED MULTISTAGE DRIVER AND FRONT-PASSENGER AIR BAGS*** Standard advanced multistage driver and front-passenger air bags provide nearly instantaneous occupant protection by matching air bag output to crash severity.
- 2 STANDARD SUPPLEMENTAL SIDE-CURTAIN AIR BAGS*** With roll-sensing technology, these bags deploy from the headliner to provide three rows of side-impact protection to outboard occupants.
- 3 STANDARD ELECTRONIC STABILITY PROGRAM (ESP)†** ESP assists drivers in maintaining control of their vehicles during extreme steering maneuvers. ESP is equipped with Electronic Roll Mitigation and Trailer Sway Control. The system detects “sway” unique to trailering and then engages Durango’s brakes to slow the vehicle and trailer down, reduces engine torque, and then increases the brake force to only one side of the vehicle to help counteract the sway from the trailer.

- 4 TIRE PRESSURE MONITORING WARNING LAMP/DISPLAY** All Durango models include a Tire Pressure Monitoring Warning Lamp that helps maintain proper and safe tire pressure by flashing a warning lamp to alert driver to low-pressure situations. Durango Limited now features a Tire Pressure Monitoring Display that provides actual tire pressure information on all four tires.
- 5 HYDROFORMED FRAME** The front and rear sections of this frame are hydroformed to provide increased stiffness and dimensional control contributing to Durango’s outstanding handling and smooth ride.
- 6 PARKVIEW® REAR BACK-UP CAMERA*** An available camera on Durango’s liftgate displays a rearview video image on the radio screen while driving in reverse. The benefit is better rearward visibility for the driver when backing up and the alert of potential obstacles.

*Always sit properly in the seat with the seat belt fastened. Children 12 and under should always be in a backseat correctly using an infant or child restraint system, or the seat belt positioned correctly for the child’s age and weight. †No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESP warning lamp in the speedometer flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. †Always check entire surroundings before backing up.

Durango Adventurer in Marine Blue Pearl.

DURANGO ADVENTURER MODEL

In addition to all the items found on Durango SXT, the Adventurer model sports a distinctive exterior appearance, featuring Mineral Gray Metallic fascias and running boards, unique 17-inch machined-face cast aluminum wheels, and more. There are also unique interior accessories like slush mats and a standard cargo organizer. Choose the Adventurer model and take your pick of one of six Thule® Carriers or the Dodge Adventurer Kit.

Properly secure all cargo.

THULE® CARRIER

From the ski rack to the bike rack, all Thule carriers shown come standard with crossbars and wind fairing. For detailed information on Thule carriers, scope out adventurerkit.com or call 888-267-2187.

DODGE ADVENTURER KIT

The ultimate off-road kit includes a 20-piece emergency tool kit, Motorola Talkabouts®, Bushnell binoculars/digital camera, and a TV that also acts as an AM/FM radio and lantern.

THE 2008 DODGE DURANGO INCLUDES
A LIFETIME POWERTRAIN LIMITED WARRANTY.

LIFETIME
POWERTRAIN WARRANTY

See dealer for a copy of limited warranty and details. No deductible.
Non-Transferable. Not available on SRT, diesel and certain fleet vehicles.

Tow with confidence because Durango boasts a best-in-class*
8,950-lb maximum towing capability. Durango SLT 4x2 shown in new Light Sandstone Metallic.

AUTHENTIC DODGE ACCESSORIES

When you enhance your Durango with Authentic Dodge Accessories by Mopar, you gain far more than substantial style, premium protection or extreme entertainment. You also benefit from the authentic difference found only in an original equipment accessory. It's a difference that demands tighter tolerances and envelope-pushing testing methods. And one backed by a superior warranty[†] serviced by Dodge dealerships nationwide. Choose the full line of accessories that feature a fit, finish and functionality designed specifically for your Durango. Check us out at mopar.com.

CHROME TUBULAR SIDE STEPS When it's time to step it up, these side steps feature corrosion-resistant aluminum and skid-resistant surfaces for conveniently good-looking entry and exit.

CHROME BODYSIDE MOLDINGS Give a gleam to your doors while accenting your Durango's strong body lines with this popular accessory.

CHROME MIRROR COVERS Reflect your personal sense of style with these covers that meet Dodge standards for quality, fit and finish.

WATER SPORTS CARRIER This convenient carrier transports most kayaks, sailboards or surfboards with flat or curved hulls. Mounts to **SPORT UTILITY BARS** (sold separately). These beefy bars feature T-slots that allow for quick carrier installation and accommodate all sports and cargo carriers.

18-INCH 5-SPOKE CHROME WHEELS A new spin on style. Our premium wheels are treated with a durable Clear Coat finish and undergo stringent testing to maintain their bright finish and guarantee a smooth and balanced ride.

HITCH RECEIVER[§] (NOT SHOWN) When it's time to haul, this heavy-duty hitch receiver features a two-inch opening capable of towing 9,000 lb with proper weight-distributing equipment. Additional trailering accessories available.

*Based on 2007 *Automotive News* classification. When properly equipped. [†]13 city to 19 highway EPA est. mpg with MDS. Results depend on driving habits and conditions. [‡]See your dealer for details and a copy of the limited warranty. [§]Check Owner's Manual for hitch type, load capacity and heavy-duty equipment required. Do not exceed rated tow capacity of vehicle as equipped.

AUTHENTIC DODGE ACCESSORIES

ENGINES/PERFORMANCE

5.7L HEMI[®] V8 WITH MDS Harness Durango's 5.7-liter HEMI V8 with Multi-Displacement System (MDS) and unleash 335 horsepower, 370 lb-ft of torque and the most towing capacity in its class* — 8,950 lb. The catalyst for numbers this potent is the surge of airflow that races through uniquely designed hemispherical-shaped combustion chambers.

MULTI-DISPLACEMENT SYSTEM (MDS) An exercise in brilliant efficiency. When cruising at highway speeds, Durango's HEMI engine employs the fuel-saving[†] benefits of MDS. The advanced computer technology works in conjunction with the Electronic Throttle Control components. This union allows the HEMI engine to seamlessly transform V8 power into an efficient four-cylinder power plant in a mere 40 milliseconds (0.04 seconds), which bolsters Durango's fuel economy.

NEW 4.7-LITER FLEX FUEL V8 Durango offers a new E85 (ethanol)-compatible 4.7-liter V8 engine with more horsepower (303 hp) and more torque (330 lb-ft) than the previous engine. This engine uses E85, regular gas or a combination of both. E85 is an alternative fuel blend that is comprised of 85% ethanol and 15% petroleum. The benefit is less drain on nonrenewable energy sources and a positive economic impact on corn farmers.

3.7-LITER MAGNUM[®] V6 This fuel-efficient V6 engine is capable of pumping out 210 horsepower and 235 lb-ft of torque at 4,000 rpm.

AVAILABLE FULL-TIME ALL-WHEEL-DRIVE SYSTEM Durango 4x4 models feature a dash-mounted switch. Simply set the dial to AWD for everyday driving. Switch it to 4LOCK only on slippery or uneven roads. Use available 4LOW only in low-speed, low-traction situations, like bringing your boat out of the water.

⁽¹⁾Always use seat belts. Children 12 and under should always be in a backseat correctly using an infant or child restraint system, or the seat belt positioned correctly for the child's age and weight. ⁽²⁾4x4 models only. ⁽³⁾No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESP warning lamp in the speedometer flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Please always wear your seat belt. ⁽⁴⁾4x2 models only. ⁽⁵⁾Customer has a choice between one of six Thule® carriers or a Dodge Adventurer Kit. ⁽⁶⁾Not compatible with aftermarket fabric-protecting coatings. ⁽⁷⁾MyGIG in-dash DVD capability is not available in all states. See your dealer for details. ⁽⁸⁾Includes one-year subscription provided by SIRIUS; only in the continental U.S. ⁽⁹⁾Always check entire surroundings before backing up.

Chrysler Financial

With Chrysler Financial, you can get great finance options, competitive rates and flexible payment plans. Learn more about your financing benefits and even submit a credit application at chryslerfinancial.com.

REWARDS VISA
